## No Travel Advisory lifted for northeast North Dakota

The North Dakota Department of Transportation (NDDOT) and the North Dakota Highway Patrol have **LIFTED** the **No Travel Advisory** for northeast North Dakota.

There is still a **No Travel Advisory** in portions of south central North Dakota due to blowing and drifting snow creating hazardous driving conditions. Cities included in the **No Travel Advisory** are: Jamestown, Valley City, Ellendale, and surrounding areas. Motorists in these areas should **not travel** as blowing and drifting snow is creating near zero visibility and hazardous driving conditions.
